Hands of Hope Food Bank

What are “Shared Maintenance Fees”?

Hands of Hope Food Bank charges a “Shared Maintenance Fee of \$5.00” to participants each time you visit the food bank for the opportunity to avail themselves of our services.

- There is no relation of the fixed price per family shared maintenance fee that we assess to the value of the products received.
- You should consider it your contribution toward the operational costs of the program.
- This fee is used to pay the operational and administrative costs that we incur in the program.
- Hands of Hope depends exclusively on the shared maintenance fee for our operations.
- It takes everyone involved to support and continue our program.
