

Hands of Hope Food Bank

WANTED

IN DIRT

IN HAZEN

RANGO

Can you fill the role of RANGO?

Like Dirt, Hazen has a **WATER Problem**. They have had their **Water Supply** shutoff for 5 months, and will not get water for at least 2 more months. The locals are drying up and turning into tumbleweeds.

Can **YOU** become a **Rango**, and donate bottled water or become involved in the effort to restore the water (canal) to Hazen?

Donations can be made to **Hands of Hope Food Bank** (Reno, Fernley and Fallon Drop Off locations available). Donations will be accepted until water returns or the end of July (whichever comes first)
